

ACKNOWLEDGMENT

While writing the initial chapter of the book I got dejected and de-motivated as I was suffering from jaundice after recovery in which my mom “**Mrs. Suman**” take care of my health, I regained strength and confidence to write and complete this book.

I would like to thank my father “**Mr. Mahesh**” who stood by me during my hard times and encouraged me to take my passion for writing on serious notes. I would like gratitude towards my uncle “**Mr. Pawan**” who helped me in the collection of information to complete this book.

I take this opportunity to thank my member from faculty at CHANDIGARH UNIVERSITY included “**Ms. Anshleen Tiwana**” (communication teacher) who help in final editing of book and “**Mr. Pravdeep**”, “**Mr. Manish Jangra**” (Assistant Director) and “**Mr.Arvinde Kang**” (Dean student welfare) who motivated and guided me to write this book.

There are other names which include my friends and especially **Sagar Rathore** who make the work easier while converting this book into soft copy and **Sunil Varma** who help to convert this book into a mobile application.

I love to thank and acknowledge all who contribute towards the completion of the book.
